

## Guest Escort Agreement Form

### Goddard Dance Club

**Escort:** The Goddard Space Flight Center (GSFC) is a secure government facility. All guest members of the Goddard Dance Club (GDC) must obey security regulations. Guests of current GDC members must obtain an escort badge from Security at the GSFC front gate when they come on base. A badged employee must escort guests who do not have non-escort badges.

Escorted guests must park in one of the parking lots adjacent to Building 8 and go directly to the Building 8 Auditorium. They cannot drive anywhere else on base or go anywhere else except the Auditorium and its associated rest rooms in Building 8. When leaving, guest members must leave with a badged employee, who can either leave with them or visually observe their direct departure through the front gate. **Guests may not leave without being escorted.**

**GDC Membership:** The first night at any GDC class, each escort-badged guest who is not already on the printed membership list must fill out a GDC membership form completely, including indicating who is sponsoring them as a guest. If they have already paid their annual membership fee in another class, they do not have to pay a second membership fee, but they do have to complete the membership form if they are not yet listed in the GDC membership database. GDC membership is required of everyone taking a GDC class. Single night guests attending the Friday class or dance who do not intend to join the GDC still need to complete the contact information section of the membership form.

**Signature:** I, the undersigned, have read and agree to the escort and membership requirements as stated above.
